

Put your hope in God.
Psalm 42:5

IT WAS A GREAT WEEK IN HONDURAS!
Alea Kent (right) shared bible lessons with the children about being a good friend, helping others and putting on the armor of God. The children had loads of fun hanging out with the Kent Kids (Sidney Hannah, Zealand and Eden). They colored, made friendship bracelets, played soccer, and they loved playing in the bubbles. They also worked together to run a three-legged race, and wrapped each other like mummies with toilet tissue.

The Victory Fellowship team went door to door in the El Tizate community delivering food bags and inviting each family to attend a community gathering on Thursday. Over 100 community members attended. After a time of fellowship and worship, Pastors Sid and Lori Garner shared a word from God. It was a beautiful time together.
