

EDEN IS ALL SMILES WITH HER NEW FRIENDS!

Beth Demkowski (above) finds a small corner to sit and color with the children in Monte Negro. Love is beautiful!

Ministry Building Update:

- The concrete countertops are sealed and ready for use.
- The cabinet doors are being built.
- The column for the meter base/power pole is being built.
- A quote has been received from an electrician. We are working to hire him to finish the electrical work.

ON THIS DAY, LOVED LOOKED LIKE STAYING UP LATE TO HELP FINISH SEALING THE COUNTERTOPS.

The Spring Break team brought shoes to distribute to the children from the Feeding Center. On this day, love looked like a pair of shoes!

Dianne Huff, better known as Mama Huff, has supported Project World-Mission 9:22 for a number of years, and in April, she was able to travel to Honduras to see the fruit of her faithful giving. As you can see from the smiles in the picture, she quickly made many new friends.

COMMUNITY OUTREACH is a vital part of ministry in Honduras.

EL TIZATE

Hosting community gatherings in El Tizate builds relationships and opens the door to do life together. Surrounding a campfire, over 80 community members attended and enjoyed roasting marshmallows as they sang songs and heard God's word.

AUSTRALIA

It was a beautiful day for the team to build a house for a family of 7 that lost theirs due to a house fire.

LAS ANIMAS

Serving the people in Las Animas was a fun day. The team visited the local school and shared a bible story with the students. Playing cops and robbers was great fun! We also distributed food and shared the gospel with the community. Pinatas are always a huge HIT!!
